NCC has partnered with the National Student Clearinghouse (NSC) to provide online transcript ordering for our students and alumni. If you have attended since 1991, electronic and paper transcripts are available when ordered online.

**Current students or former students with an Easylogin account** may order an official transcript by logging into the Student Information System (SIS).

**Alumni and former students** may submit transcript requests directly to the National Student Clearinghouse by going directly to https://tsorder.studentclearinghouse.org/school/ficecode/00923600.
