Make sure to download the new "MyNCC" app to your smart phone by searching for MyNCC at the Apple App Store or the Google Play Store.

The app helps keep you up-to-date with "All Things NCC"!

We will be having more raffles this coming week for those who have downloaded the app!

ONLINE JOB BOARD

College Central Network is an online job board which allows employers to post job openings as they become available and our students can easily access them. If you select the following link you will reach our registration screen. Use your 8 digit ID number (without the A) and create a password to set up your personal account. You can continue using the program after you graduate. Search for a part-time or full-time job or an internship, create and save your resume and cover letters, read articles or listen to podcasts on preparing for an interview, searching for a job and many other career related topics. For additional information or assistance setting up your account contact the Academic Advising Center.
