To facilitate learning we ask students to adhere to the Writing Center policies. Students should:

- ✓ Prepare ahead of time; do not wait until the last minute to seek writing assistance.
- ✓ Come to each session with ideas, questions and a willingness to participate as an active learner.
- ✓ Understand that writing conferences are **not** drop-off or proofreading services, the writing consultants will identify parts of the writing process which the student needs to improve.
- ✓ Acknowledge that the Writing Center is **not** responsible for your grades or instructor comments.
- ✓ Writing consultants can assist with brainstorming and outlining, but the WC is not a place where papers are written for you
