

2016 - 2017 Rapid Manufacturing Group Scholarship

This scholarship is funded by Rapid Sheet Metal to assist NCC students in achieving competency in the metal working industry. Five \$2,000 scholarships will be awarded for the 2016 - 2017 Academic Year.

Please review the criteria below and return the completed application, typed essay, and faculty recommendation to the NCC Financial Aid Office by May 20, 2016. Only recipients will be notified. Recipients will join Jim Jacobs, Vice President of Rapid Sheet Metal and other members of Rapid Sheet Metal, for a luncheon in the Fall 2016.

Scholarship Criteria:

- Be Enrolled in either the Precision Manufacturing Associate Degree Program or the Mechanical Design Technology Associate Degree Program
- Be a Sophomore by the Fall 2016 semester
- Be Enrolled full-time (at least 12 credits)
- Be in Good Academic Standing with a CGPA of 2.5 or higher
- Faculty Recommendation
- Attendance at Rapid Sheet Metal Luncheon Fall 2016
