

Jumpstart Your Semester!

You are invited to “jumpstart your semester” by attending one or more workshops presented by the Center for Teaching and Learning Excellence.

For All Faculty

Introduction to Blackboard 9.1

Blackboard is the online course management system used at NCC. Join us at this workshop to get an overview of the changes and to find out about additional Blackboard resources. **For adjuncts with little to no Blackboard experience; must have an active Easy Login account; bring course syllabus on USB flash drive.**

Presenter: Alan Foucault

Instructional Design

T, 8/27 4-4:45pm

Main 104

Instructional Technology Orientation

All NCC classrooms are now equipped with some of the latest educational technology. In this workshop, you will learn how to operate this equipment and where you can turn for support.

Presenter: Doug Pelczar

Media Specialist

W, 8/28 4-4:45pm

Gregg 180

Library Resources

Join our librarian for a tour and an online exploration of resources that are available this semester. Feel free to ask any questions! Do you need an alternate date & time for an individualized library introduction? Email me at

mbero@ccsnh.edu . To schedule a library class for your students please use this link:

Presenter: Maggie Bero

M, 8/26

4-4:45pm Walter R. Peterson Library, Main 130

Especially for New Faculty

Introduction to Online Mail, Computer Labs and Phones

Learn how to secure a school e-mail account and how to access it. We will also review the procedures covering computer lab usage and how the classroom emergency phones work. Finally, find out who to contact when you get in over your head.

Presenter: Magnus Pardoe T, 8/27 5-5:45pm Main 104
 Technical Support

Overview of College Policies and Student Support Services

This workshop will provide an overview of college policies including accessing SIS, AF, incompletes, FERPA, and RAPs, mailroom policy, and various student support programs. Important deadlines to be observed during the semester will also be reviewed.

Presenters: College representatives Th, 8/29 4-4:45pm Main 210

What Is a RAP? Reasonable Accommodation Plans: Information and FAQs

This presentation will give faculty a general overview of a RAP, explain how the process works and what is expected of instructors, and discuss changes that have been made to the NCC plan as well as future goals for Disabilities Support. There will be a Q&A session after the presentation to answer any questions that people may have about RAPs.

Presenter: Melissa Olson Th, 8/29 5-5:45pm Main 210
 Disabilities Support Coordinator

Essential Questions: What Are We Asking?

Essential Questions help drive a course and student learning. This workshop will provide an overview of EQs and how to integrate them into your syllabus as well as daily lessons. Topics range from how to craft and utilize EQs to best meet course competencies to using EQs to gauge student learning. This workshop is designed for faculty with little or no experience using EQs and experienced instructors who wish to refresh their knowledge.

Presenter: Joshua Bashalany, MAT M, 8/26 5-5:45pm Main 210
 Adjunct faculty
