2 + 2

Students seeking to earn a baccalaureate degree may complete their first 2 years at Nashua Community College and successfully transfer to a 4-year university or college. Recent graduates have transferred to UNH, UMASS-Lowell, Plymouth State University, Rivier College, Keene State College, Endicott College, Lesley University and more! Visit nhtransfer.org to learn more about transfer options.

Welcoming Environment

From the moment you arrive at Nashua Community College, you'll experience a dynamic, energetic environment that's friendly, welcoming and just the right size. You'll have access to many of the benefits and resources of a larger institution, but with an average class size of 22, you'll enjoy personal instruction from real-world professors.

Athletics

Whether you're an experienced athlete, want to learn a new sport, or are looking to meet new friends, our sports and fitness program can help you attain the physical, emotional and social benefits of movement. Our special blend of interscholastic, club and intramural sports make it possible for all students, regardless of ability, prior experience or age, to get in on the game.

Affordable & Accessible

Affordability and accessibility are hallmarks of NCC. We offer the lowest tuition rate in the State and financial aid is available to those who qualify. In addition to online learning, classes are offered in the day, evening, and on weekends.

Student Life

A proven key to success while attending college is to get involved. Whether you're looking to be inspired, to enjoy new friendships, or to share your talents, NCC offers a wide variety of opportunities both on and off campus including over 24 student clubs.

Service Learning

Service Learning at NCC integrates community service with instruction and reflection to enrich the learning experience. It provides opportunities for students to use their skills and knowledge to meet real identified needs throughout the community.

Technology

Nashua Community College offers a top quality technology infrastructure for students. Wireless internet access is available throughout the campus. All students are provided email accounts, online registration, and Blackboard® learning management access.

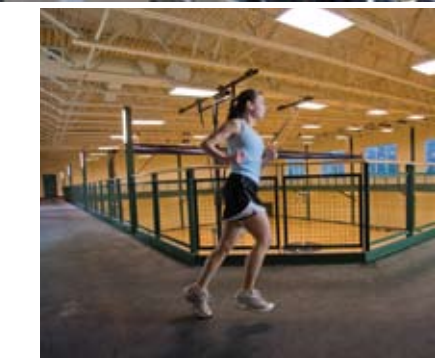

Career Tracks

Our career-oriented Associate degree and certificate programs allow students quick entry into the workforce or career advancement. NCC offers programs in high-demand industries including automotive technology, paralegal studies, massage therapy, advanced machine tool technology, early childhood education and many more.

New Facilities

Our state-of-the-art 40,000 sq.ft. Wellness Center was designed to foster community development and interaction among students and faculty. The facility houses a gymnasium, fitness rooms, conference space, locker rooms, massage therapy instructional lab, lounge space, and dining hall.

Yes, I would like more information about the course offerings at Nashua Community College, specifically:
