

How to Check Seat Availability

Students may access seat availability information for a course online prior to submitting a registration.

Follow the instructions below to review seat availability:

- [Click here](#) to access the online course schedule.
- Select the appropriate semester, then click 'Submit'
- You may select a course in different formats:
 - Select ALL in subject to view entire schedule
 - Select a specific subject (i.e. Accounting, Computers, Business)
- Click 'Class Search'
- Select desired course by clicking the course number and title, highlighted in blue.
- Remaining seats is the last column on the right of the page.

If there are no seats remaining, the course is considered closed and will not appear on the schedule.

Please Note:

- Seats can fill up by the time students come to register. It is important to try to register as soon as possible to ensure the seat is still available.
- Waitlists are available for classes that are full, however it does not guarantee seat availability at the start of the semester.
