

NCC Return of Tuition Assistance Policy:

Return of Tuition Assistance: Military Tuition Assistance (TA) is awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. In the event a student withdraws, the student may no longer be eligible for the full amount of the TA funds originally awarded.

To comply with the Department of Defense policy, Nashua Community College will return any unearned TA funds on a proportional basis through the 60% portion of the period for which the funds were provided. TA funds are earned proportionally during the enrollment period, with unearned funds returned based upon the date when a student stops attending. These funds are returned to the military Service branch.

In the event a service member stops attending due to a military service obligation, NCC will work with the affected service member to identify solutions that will not result in a student debt for the returned portion.
