	Internal Combustion Engine HATN106N Fall 2020
Department	Transportation
Instructor	Tim Hogan
NCC Email	thogan@ccsnh.edu
Telephone Number	603-578-6885
Office Hours	Monday 10:00-10:50 Wednesday 10:00-10:50, 2-2:50
Office Location	Automotive Building
Class Days/Meeting Time	Lecture: Tuesday 8:00-8:50 Lab: Tuesday 9:00-11:50
Class Location	Lecture: Gregg Hall Auditorium Lab: Auto building Room 33, off main shop

Rationale:

Internal combustion engine is one of the 3 foundation classes for the Automotive program.

Course Description:

This course examines 2 and 4 stroke engines, their operating systems, and related physical properties. Principals from basic carburation to variable cam timing, forced induction and performance parts are covered. The lab element of this course exposes the students to the construction methods, precision measurements, and tolerances related to engine design. It also covers basic diagnostics of a 4 stroke engine.

Course Competencies:

Competency (Knowledge and Skills)	Critical Thinking Level
-----------------------------------	-------------------------

Students will be able to:	
Identify design and manufacturing techniques of automotive engines	Identify
Understand the physical properties of energy conversion	Identify
Explain the combustion principles of 2 and 4 stroke engines, gasoline and diesel	Identify
Identify the operating systems of gasoline and diesel engines	Identify and relate
Identify the internal components of an internal combustion engine	Identify
Develop a sense of precision fit of engine components	Analyze and compare
Use precision measurement tools to measure the internal components of an internal combustion engine	Apply and analyze
Diagnose no-start condition of single cylinder engines	Analyze

Essential Questions:

What Safety precautions should I practice while performing work of this nature?

What kind of specialty equipment should I be using while performing work of this nature?

What could be the result of not using the proper equipment or safety precautions while performing work of this nature?

Required Textbook(s):

Automotive Service, 5TH Edition.

Tim Gilles

ISBN 978-1-3051-1059-5

Supplemental Materials:

notebook

Course Expectations:

Including but not limited to:

Students are responsible for completing assignments on time.

Students are expected to take notes. Not all covered material is in the book.

Students are expected to be professional and courteous.

Students are expected to arrive on time for classes/labs.

Students are expected to have the essential books/supplies/tools.

Students must maintain appropriate personal hygiene

Protective eyewear is required in any lab (shop).

Food is prohibited in all labs and classrooms during classes.

Lab service bays must be cleaned and/or washed at the end of each lab session.

All students must contribute to the clean-up process.

No students will be dismissed from lab session until service bays are clean.

There is no make up for this class. Assignments are due at the beginning of class and are listed on the course calendar. If you are going to miss a class, you must email the assignment that is due that day before that class meets. If there is a quiz that day and you emailed me that you will not be able to attend, you will be allowed to make up that quiz. It is your responsibility to meet with me BEFORE the next lecture meets to take said quiz.

Grading:

Point/letter grade equivalents:

100-94: A

93-90: A-

89-87: B+

86-84: B

83-80: B-

79-77: C+

76-74: C

73-70: C-

69-67: D+

66-64: D

63-60: D-

Below 60: F

Grading Weights:

10% Homework/from text

10% Quizzes

20% Midterm

20% Written Final Exam

20% Lab Eval

20% Lab practical Exam

Work Habit or Trait	<i>Description</i>	1 to 5 Scale Evaluations
Job knowledge	Overall knowledge or understanding of all aspects pertinent to the job (Materials equipment, techniques, product knowledge, etc).	
Quality of work	Accuracy, thoroughness, and neatness	
Quantity of work	Number of tasks performed during work period meets expectations	
Dependability	Punctuality and attendance, reliability in carrying out work assignments, amount of supervision required and conscientiousness.	
Behavior	Enthusiasm for job, level of cooperation with associates, supervision, etc. Receptivity to changes and new duties. Resourcefulness and versatility and safety	

Daily Lab Evaluation

1=Student performs below expectations

3=Student performs satisfactorily with periodic supervision

5=Student demonstrates outstanding performance

Because of the safety related to this course a student must earn a minimum of a 15 or better for their overall grade to pass the lab portion of the course.

5 points = 0/F

10-15 points = 45/F

Minimum passing score- 15 points = C/75

20 point = B/85

Maximum score- 25 points = A/100

Available Support Services

Tutoring, The Writing Center, Available Academic Services: The Academic Success Center | located in the library offers academic support services which are open to all NCC students looking for additional help with their college assignments. Math tutoring and writing assistance are available. The Writing Center is for any student seeking assistance with the writing process for any class, not just College Composition. For more information and to view the tutoring schedules view here:

<http://www.nashuacc.edu/student-services/academic-success-center>

Classroom Accommodations: Students who have a documented disability (physical, learning, or mental health) and require reasonable classroom accommodations must meet with the Disabilities Support Coordinator to set up a NCC Reasonable Accommodation Plan (RAP). If you had an IEP or 504 in high school, you may qualify for a plan. If you would like more information or if you are not sure if you qualify for a plan, please contact Jodi Quinn, Disabilities Support Coordinator, located in The Academic Success Center in the library, 603-578-8900 ext. 1451. View additional information and the application here:

<http://www.nashuacc.edu/student-services/academic-success-center/disability-services> In order to receive classroom accommodations, it is the student's responsibility to meet with his/her instructor privately and provide a hard copy of the signed Reasonable Accommodation Plan (RAP) each term the student wants to utilize classroom accommodations even if the student has had that instructor in a previous term.

Audio Record Classroom Lecture: Please note that as a student in this class, you may have a classmate who by permission can audio record class lectures for his/her learning purposes. **Only students with prior written permission** from the instructor or the Disabilities Support Coordinator may audio record class lectures - *for educational purposes only*. Students who audio record class lectures are prohibited from selling, transcribing, or distributing the recordings in *any manner* and are asked to delete the recordings when it is no longer essential for their learning purposes.

Title IX Statement: Classroom instructors at Nashua Community College are encouraged to create and maintain a safe learning environment in which students feel able to share opinions and related life experiences in classroom discussions, in written work, and in meetings with professors. To the greatest extent possible, this information will be kept private. However, staff and faculty have a legal obligation to report information concerning sexual misconduct, violence and exploitation of individuals per federal statute and in compliance with established policies and procedures at Nashua Community College. If you

have been subjected to sexual misconduct, violence or exploitation, we encourage you to contact your Title IX representative Lizbeth Gonzalez, 603-578-8900 x1528_ or lgonzalez@ccsnh.edu for support and assistance.

Additional information including resources can be found at: New Hampshire Coalition Against Domestic and Sexual Violence:
[http://www.nhcadv.org/Catchment%20map\(1\).pdf](http://www.nhcadv.org/Catchment%20map(1).pdf)

Department Policies

Students are expected to attend all their regularly scheduled classes, laboratory periods, and other academic exercises. Should an absence from regularly scheduled academic exercise be unavoidable (beyond a student's control), it will be the student's responsibility to communicate with the professor, preferably beforehand, concerning the absence. Documentation of said absence may be required by the professor.

Students are advised that absence from class, for whatever reason, does not excuse them from meeting course requirements and objectives.

If a student is absent more than six hours (for a four-credit course, the total is eight hours) of class time during the term or semester, the instructor may withdraw the student from class using an AF grade, which means an F will be averaged into the GPA. In addition to absences from class, tardiness and leaving class early also calculate into missed class time. To avoid this AF, if a student cannot continue to attend class for any reason, he/she should obtain a withdrawal slip from the registrar and follow the process to officially withdraw. Students should also understand an AF grade can be assigned by an instructor or an administrator at any time for reasons other than poor grade performance or failure to meet attendance requirements e.g., violation of the Student Code of Conduct, disruptive behavior, etc. Students should refer to the student handbook for additional information about the AF policy.

It is the responsibility of the student to make up any missed class work, homework assignment, quizzes, or tests in accordance with the instructor's make-up policy.

Depending on the instructor's policy, late papers may or may not be accepted for full credit. See this syllabus for policy details.

All assignments must be typewritten, unless otherwise instructed by the teacher. Any work that is not typewritten will not be accepted.

Specific policy details for the above are outlined in this syllabus.

Revised: 12/18/17

Transportation Technologies Attendance Policies:

We understand that sometimes “life happens” and you cannot get to class on time or at all but all students are expected to attend each class for the full amount of time scheduled. It is an important part of your education and we want you to be successful.

All lectures and labs begin on the hour.

Tardiness: All students will be allowed 2 “late entrances” to class. On the third time that student will not be allowed into class and will receive a zero for that class. This will result in an absence and be counted towards the attendance policy for the AF grade.

Absences: Any student that will miss a class should notify the instructor by phone or email prior to the beginning of the class. All absences will result in accrued time towards the AF policy. Students are responsible for any make-up work, missed quizzes and exams due to absence. It is the instructor’s discretion to allow make-up work, take a quiz or exam.

Make Up Policy

There is no make-up work. If you will miss a class, you may email your homework assignment, before the class meets, to me for full credit. There will be one extra credit assignment at the end of the semester.

There is no provision for make-up of a midterm exam, final exam, or lab practical exam.

College Policies

AF Policy: If a student misses more than the number of hours the course meets during a two-week period (e.g. six hours for a three credit course), the faculty may withdraw a student from the course with an “AF” grade. Please note that absences, tardies, and leaving class early all count towards “missed class time.”

Students should also understand an AF grade can be assigned by an instructor or an administrator at any time for reasons other than poor grade performance or failure to meet attendance requirements e.g., violation of the Student Code of Conduct, disruptive behavior, etc.

Please be advised that if the behavior of any student (or students) continually disrupts the learning of his/her classmates, the following steps will be taken 1) verbal warning; 2) meeting with instructor and department chair; 3) referral to Vice President of Academic Affairs and/or removal from the course with AF grade.

An "AF" grade is calculated in the GPA as an "F". Students should refer to the student handbook for additional information about the AF policy.

Canvas: All instructors at NCC will be using Canvas. Canvas is the online learning management system used by instructors and learners at Nashua Community College. Instructors may post syllabi, course related documents and grades in Canvas. Students may be required to submit assignments and/or take assessments through Canvas and/or participate in discussion boards.

24/7 Canvas Support: To access support through email, phone or chat

click on the  icon. Students can also find guides, videos, and a Canvas community by clicking on the *CCSNH Resources* icon on the tool bar at the left of the Canvas screen then choosing Canvas Resources.

To directly link to Canvas On Demand tutorials, please visit the following link:

https://community.canvaslms.com/community/answers/guides/video-guide#jive_content_id_Students

If you have forgotten your Easy Login Password information, please visit the following link: <https://password.ccsnh.edu/accounts/Reset>

If class is ever cancelled because of instructor illness or inclement weather, students will need to check Canvas for their assignment.

College Email System: Nashua Community College has established a College electronic mail ("email") system as a means of the College sending official information to enrolled students, and for students to send communication to their instructors and College personnel. All students registered at NCC will be assigned a College email account/address to be used as the only email address for all email communication: 1) sent to the students from their instructors and from all College personnel; and, 2) sent by the students to their instructors and to all College personnel.

In addition:

- Students should check their College email account regularly to ensure they are staying current with all official communications. Official communication includes, but is not limited to, policy announcements, registration and billing information, schedule changes, emergency notifications and other critical and time sensitive information.
- Students should also check their college email account to be sure that they are current with all email communication from their faculty.
- The student email account/address should be the only e-mail address students use to send email to faculty and College personnel so that student email is recognized and opened.
- This service is provided exclusively to the students of NCC. Accounts are for individual use only, and are not transferable or to be used by any other individual.
- Students using their College email account do so under the policies set forth in the Student Handbook under "Student Computer Conduct Code".

Sensitive Materials Policy: During the semester, in order to cover certain academic topics, there may be occasions to view or discuss material which may not meet the student’s own personal definition of appropriateness. At such times, every student has the right to decide not to participate. Every effort will be made by the instructor to notify students in advance of when such sensitive material will be used so that students can make alternative arrangements. Faculty will guide students in the identification of alternate learning opportunities consistent with relevant course objectives so that students opting out of scheduled “sensitive” learning experiences will not be penalized academically in any way. Please note the opportunity to leave the classroom discretely is always available to each student when such sensitive material is being discussed. The student then has the responsibility before the next class meeting to inform the instructor as to the reason for leaving.

Plagiarism Policy: Plagiarism is a serious violation of a student’s academic integrity and the trust between a student and his or her teachers. Plagiarism is the act of a person presenting another person’s work as if it were his or her own original work. Such acts of plagiarism include, but are not limited to:

1. A student submitting as his or her own work an entire essay or other assignment written by another person.
2. A student taking word for word a section or sections of another person’s work without proper acknowledgment of the source and that the material is quoted.
3. A student using statistics or other such facts or insights as if these were the result of the student’s efforts and thus lacking proper acknowledgment of the original source.
4. The paraphrasing of another person’s unique work with no acknowledgment of the original source.
5. Copying another student’s work on a quiz or test.

When a student is found to have plagiarized an academic assignment, it will be up to each instructor to determine the penalty. Depending on the severity of the incident, this could range from a warning to a loss of credit for the assignment. In all cases of plagiarism, the student’s program coordinator will automatically be notified and the incident will be documented. If any further incidents of plagiarism are reported to the student’s program coordinator, additional sanctions will be imposed. These may include notification of the Vice President of Academic Affairs; loss of credit for the course; suspension or dismissal from a department program; academic probation; and/or expulsion from the College.

Credit Hour Guidelines

1. A credit hour shall be the equivalent of one (1) hour of classroom or direct faculty instruction and a minimum of two (2) hours of out-of-class student work each week for 15 or 16 weeks.
2. A credit hour shall be allocated based on the following:

Category	Contact Hours per Week	Contact Hours per Sem. (based on minimum 15 week semester)
Class	1	15
Laboratory	2 or 3	30-45
Clinical	3 to 5	45-75
Practicum, Fieldwork	3	45
Internship	3 to 6	45-90
Co-op	Variable by Dept.	Variable by Dept.

AUTN106N Course Calendar (Subject to Change), Fall 2020

Week #	Begins	LECTURE/DISCUSSION	LAB	ASSIGNMENTS DUE Thursdays Chapter Review
1	Tuesday Sep 1	Chapter 6 Review syllabus Introduction to the Engine	Introduction, Safety and hardware Review Ch6	Review Ch1,6,7
2	Sep 8	Chapter 15 Gasoline Engine Operation Basic 4 stroke quiz, 106-1	Vernier caliper Review Ch6	Ch15 Review 1-10, ASE 1-5
3	Sep 15	Chapter 16 Engine Classifications Blocks, Diesel, 2 stroke, Wankel	Micrometer	Ch16 ASE 1-10
4	Sep 22	Chapter 17 Engine Size and Measurements Quiz on Chapters 15, 16 and 17 106-2	Test run engines and begin disassembly. Vernier Caliper quiz	Ch17 Review 1-10, ASE 1-5
5	Sep 29	Chapter 18 up to page 271 Engine Upper End	Check valve lash clearance and lift, Measure valve guides and stems	Chapter 18 up to page 271
6	Oct 6	Chapter 18 from page 272 Engine Upper End(advanced cam timing) Quiz on chapter 18, 106-3	Measure cylinder bore and stroke, Remove piston and crankshaft	From page 272 ASE 1-5 and ASE 1-5
7	Oct 13	Chapter 19 Engine Lower (Bottom) End	Disassemble and inspect all components Valve guide measurement quiz	Ch19 Review 1-10, ASE 1-5
8	Oct 20	Review for the Mid Term Assign extra credit report	Measure piston, cylinder bore and crankshaft Begin reassembly	Review for Mid-Term
9	Oct 27	Chapter 42 up to p792 Intake and Exhaust Systems Quiz on chapter 42	Continue reassembly	Review Ch42
10	Nov 3	Chapter 42 up to p792 Intake and Exhaust Systems Quiz on chapter 42 106-4	Disassemble carburetor, check/set float level. Piston and cylinder quiz	Review Ch42
11	Nov 10	Chapter 42 from p792 Turbocharges, Blowers, and Nitrous Quiz on Turbos and Blowers, 106-5	Continue work on carbs	Ch42 ASE 1-10
13-1	Nov 17	Chapter 40 Fuel System Fundamentals, carburetors Quiz on Ch40	Finish Reassembly	Review Ch40
13-2	Nov 24	Fuel System Fundamentals, EFI Quiz on Ch40, 106-6	Test Run engines	Ch40 ASE 1-5
14	Dec 1	Chapter 37 Ignition System Fundamentals	Bug engines and diag for No-Start, low power output.	Review Ch37
15	Dec 8	Chapter 39 Petroleum Fuels and Alternative Fuel Technologies Begin Review and Written final Exam	Bug engines and diag for No-Start, low power output.	Review Chapter 39 Study and review all chapters to date.
16	Dec 14- 17	Lab Exam Schedule TBA		

This schedule is subject to change. In the event of class cancellation due to inclement weather or instructor illness, students are directed to the course Canvas site for an alternate assignment for that day.

Updated: 8/2020

 Nashua Community College	Honda Basic Electricity and Wiring HATN113 Fall 2020
Department	Transportation Technology
Instructor	Ben Wagstaff
NCC Email	bwagstaff@ccsnh.edu
Telephone Number	603-882-6923 X-1543
Office Hours	Mon, Tue, Wed, Thu, Fri 3:00pm-4:00pm
Office Location	Automotive Building
Class Days/Meeting Time	Lecture: Tue 2:00-2:50 pm, Thu 2:00-2:50pm Lab AL1: Thu 9:00am-11:50am
Class Location	Lecture: Online; Lab: Auto Bldg. Room 8

Rationale:

Develop safe work habits and respect for shop equipment and personnel.

Course Description:

This course will cover the theory of automotive electrical systems and the diagnosis and troubleshooting of these systems. Wiring procedures, reading wiring diagrams, and repair techniques for electrical harness and components. Starting and charging systems will also be covered.

Course Competencies:

Competency (Knowledge and Skills)	Critical Thinking Level
Students will be able to:	
How electricity is created and the relationships between electrical voltage, current and resistances.	Recognize
The theory of automotive electrical systems and the diagnosis and troubleshooting of these systems.	Recognize, apply and analyze
Wiring procedures, reading wiring diagrams, and repair techniques for electrical harness and components.	Recognize, apply and analyze
Understand basic electrical principles as applied to the different types of circuits.	Recognize, apply and analyze
To be able to analyze circuits using	Apply and analyze

Ohm's Law and related formulas.	
To become proficient at reading wiring diagrams and service manuals.	Identify and analyze
To develop skill in the use of electrical test equipment.	Identify and analyze
To build experience in the troubleshooting of electrical problems on vehicles.	Apply and analyze
Demonstrate knowledge of the design and function of starting and charging systems	Apply and analyze
To develop safe working habits and respect for equipment and shop management.	Identify and apply

Essential Questions:

What Safety precautions should I practice while performing work of this nature?

What kind of specialty equipment should I be using while performing work of this nature?

What could be the result of not using the proper equipment or safety precautions while performing work of this nature?

Required Textbook(s):

Automotive Technology: Principles, Diagnosis and Service; 5th Ed. 2016

ISBN#9780133994612

Supplemental Materials:

Access to Electude.

Course Expectations:

Attendance:

Class attendance is considered essential to academic success of students. Since there are constant learning opportunities between faculty members and students, and between students and other students within the classroom or lab, it is expected that students will attend each meeting of each course in which they are enrolled. In addition, the lesson disruptions caused by late arrivals and the resulting missed material is likely to negatively impact each student's learning experience. The instructor reserves the right to refuse admission to any student who repeatedly arrives late for class or lab. Attendance information is

typically collected at the beginning of each class/lab meeting, consequently there is no distinction between *absent* and *late*. Furthermore, students may expect random, weekly participation quizzes on covered material and assigned reading. Participation quizzes are generally given at the beginning of class. Only those students who are present, and on time, may participate. Participation quizzes are not eligible for make-up.

If a student is absent more than the number of hours a course meets in a two week period, (10 hours) the faculty may withdraw that student from the course with an "AF" grade any time during the semester. An "AF" grade is calculated in the GPA as an "F". There is no provision in the course calendar for repeating of lectures, labs or demonstrations due to absenteeism.

Make Up Policy:

Not all missed work is eligible for make-up. It is the student's responsibility to inquire about missed work at the first class meeting after returning from an absence. The instructor will determine eligibility and provide an appropriate assignment. Any approved assignment must be completed and turned in as directed. There is no provision for make-up of a midterm exam, final exam, or lab practical exam.

Homework:

Self-study assignments are required. Some are listed in the course calendar, some will be assigned throughout the semester. Chapter end questions assigned per the course calendar are due at the beginning of the first class meeting of the week assigned. Chapter-end questions should include the question number, answer letter as well as the related answer text. Please include the chapter number on your answer sheet.

Scheduled homework assignments are combined into the equivalent of two test grades. Assignments passed in one class late will be accepted at reduced credit. Assignments will not be accepted more than one class late.

Any assignment turned in via e-mail will be accepted provided it is mailed prior to the due date/time.

Grading:

Please refer to your department grading scale.

Note: If you give a participation grade, you will need to provide students with a rubric that explains how this grade is calculated. Participation can count for no more than 15% of the final course grade.

Available Support Services

Tutoring, The Writing Center, Available Academic Services: The Academic Success Center | located in the library offers academic support services which are open to all NCC students looking for additional help with their college assignments. Math tutoring and writing assistance are available. The Writing Center is for any student seeking assistance with the writing process for any class, not just College Composition. For more information and to view the tutoring schedules view here: <http://www.nashuacc.edu/student-services/academic-success-center>

Classroom Accommodations: Students who have a documented disability (physical, learning, or mental health) and require reasonable classroom accommodations must meet with the Disabilities Support Coordinator to set up a NCC Reasonable Accommodation Plan (RAP). If you had an IEP or 504 in high school, you may qualify for a plan. If you would like more information or if you are not sure if you qualify for a plan, please contact Jodi Quinn, Disabilities Support Coordinator, located in The Academic Success Center in the library, 603-578-8900 ext. 1451. View additional information and the application here: <http://www.nashuacc.edu/student-services/academic-success-center/disability-services> In order to receive classroom accommodations, it is the student's responsibility to meet with his/her instructor privately and provide a hard copy of the signed Reasonable Accommodation Plan (RAP) each term the student wants to utilize classroom accommodations even if the student has had that instructor in a previous term.

Audio Record Classroom Lecture: Please note that as a student in this class, you may have a classmate who by permission can audio record class lectures for his/her learning purposes. **Only students with prior written permission** from the instructor or the Disabilities Support Coordinator may audio record class lectures - *for educational purposes only*. Students who audio record class lectures are prohibited from selling, transcribing, or distributing the recordings in *any manner* and are asked to delete the recordings when it is no longer essential for their learning purposes.

Title IX Statement: Classroom instructors at Nashua Community College are encouraged to create and maintain a safe learning environment in which students feel able to share opinions and related life experiences in classroom discussions, in written work, and in meetings with professors. To the greatest extent possible, this information will be kept private. However, staff and faculty have a legal obligation to report information concerning sexual misconduct, violence and exploitation of individuals per federal statute and in compliance with established policies and procedures at Nashua Community College. If you have been subjected to sexual misconduct, violence or

exploitation, we encourage you to contact your Title IX representative Lizbeth Gonzalez, 603-578-8900 x1528_ or lgonzalez@ccsnh.edu for support and assistance. You may also contact Bridges, the local crisis center, for free and confidential services at their 24hr support line 603-883-3044. You do not need to be in crisis to call.

Additional information including resources can be found at:

New Hampshire Coalition Against Domestic and Sexual Violence:

https://www.nhcadv.org/uploads/1/0/7/5/107511883/nhcadv_catchment_map.pdf

uSafeUS <https://usafeus.org/app3/webviewer.html>

Bridges <https://www.bridgesnh.org/>

Additional Student Support Services: Information on additional support services for NCC students can be found at <http://nashuacc.edu/student-services/where-to-find-assistance-at-ncc>

Department Policies

Cellphones, laptops, tablets and other electronic equipment should be shut off during class unless previously approved by instructor.

Required Tools:

All students are required to possess hand tools per the *Required Tool List*. Each student is expected to have the tools available for each lab session. The instructor reserves the right to refuse admission to (or dismiss from) lab any student who is not regularly prepared with the required tools. All tools should be at the college no later than the first Monday in October.

Students Who Wish to Provide "Live" Shop Work

Any student who wishes to service an outside vehicle (whether owned by the student or not) during a lab must obtain **prior** permission from the instructor. Any charges incurred are due and payable immediately. Current students may be granted a "one school day" grace period, however any student with an excessively delinquent auto bill may be barred from taking a midterm, final, or lab exam. Instructors reserve the right to secure pre-payment for any invoice expected to exceed \$100.

College Policies

AF Policy: If a student misses more than the number of hours the course meets during a two-week period (e.g. six hours for a three credit course), the faculty may withdraw a student from the course with an "AF" grade. Please note that absences, tardies, and leaving class early all count towards "missed class time."

Students should also understand an AF grade can be assigned by an instructor or an administrator at any time for reasons other than poor grade performance or failure to

meet attendance requirements e.g., violation of the Student Code of Conduct, disruptive behavior, etc.

Please be advised that if the behavior of any student (or students) continually disrupts the learning of his/her classmates, the following steps will be taken 1) verbal warning; 2) meeting with instructor and department chair; 3) referral to Vice President of Academic Affairs and/or removal from the course with AF grade.

An "AF" grade is calculated in the GPA as an "F". Students should refer to the student handbook for additional information about the AF policy.

Canvas: All instructors at NCC will be using Canvas. Canvas is the online learning management system used by instructors and learners at Nashua Community College. Instructors may post syllabi, course related documents and grades in Canvas. Students may be required to submit assignments and/or take assessments through Canvas and/or participate in discussion boards.

To directly link to Canvas On Demand tutorials, please visit the following link:

https://community.canvaslms.com/community/answers/guides/video-guide#jive_content_id_Students

If you have forgotten your Easy Login Password information, please visit the following link: <https://password.ccsnh.edu/accounts/Reset>

If class is ever cancelled because of instructor illness or inclement weather, students will need to check Canvas for their assignments.

College Email System: Nashua Community College has established a College electronic mail ("email") system as a means of the College sending official information to enrolled students, and for students to send communication to their instructors and College personnel. All students registered at NCC will be assigned a College email account/address to be used as the only email address for all email communication: 1) sent to the students from their instructors and from all College personnel; and, 2) sent by the students to their instructors and to all College personnel.

In addition:

- Students should check their College email account regularly to ensure they are staying current with all official communications. Official communication includes, but is not limited to, policy announcements, registration and billing information, schedule changes, emergency notifications and other critical and time sensitive information.
- Students should also check their college email account to be sure that they are current with all email communication from their faculty.
- The student email account/address should be the only e-mail address students use to send email to faculty and College personnel so that student email is recognized and opened.
- This service is provided exclusively to the students of NCC. Accounts are for individual use only, and are not transferable or to be used by any other individual.

- Students using their College email account do so under the policies set forth in the Student Handbook under "Student Computer Conduct Code".

Sensitive Materials Policy: During the semester, in order to cover certain academic topics, there may be occasions to view or discuss material which may not meet the student's own personal definition of appropriateness. At such times, every student has the right to decide not to participate. Every effort will be made by the instructor to notify students in advance of when such sensitive material will be used so that students can make alternative arrangements. Faculty will guide students in the identification of alternate learning opportunities consistent with relevant course objectives so that students opting out of scheduled "sensitive" learning experiences will not be penalized academically in any way. Please note the opportunity to leave the classroom discretely is always available to each student when such sensitive material is being discussed. The student then has the responsibility before the next class meeting to inform the instructor as to the reason for leaving.

Plagiarism Policy: Plagiarism is a serious violation of a student's academic integrity and the trust between a student and his or her teachers. Plagiarism is the act of a person presenting another person's work as if it were his or her own original work. Such acts of plagiarism include, but are not limited to:

- A student submitting as his or her own work an entire essay or other assignment written by another person.
- A student taking word for word a section or sections of another person's work without proper acknowledgment of the source and that the material is quoted.
- A student using statistics or other such facts or insights as if these were the result of the student's efforts and thus lacking proper acknowledgment of the original source.
- The paraphrasing of another person's unique work with no acknowledgment of the original source.
- Copying another student's work on a quiz or test.

When a student is found to have plagiarized an academic assignment, it will be up to each instructor to determine the penalty. Depending on the severity of the incident, this could range from a warning to a loss of credit for the assignment. In all cases of plagiarism, the student's program coordinator will automatically be notified and the incident will be documented. If any further incidents of plagiarism are reported to the student's program coordinator, additional sanctions will be imposed. These may include notification of the Vice President of Academic Affairs; loss of credit for the course; suspension or dismissal from a department program; academic probation; and/or expulsion from the College.

Credit Hour Guidelines

- A credit hour shall be the equivalent of one (1) hour of classroom or direct faculty instruction and a minimum of two (2) hours of out-of-class student work each week for 15 or 16 weeks.

- A credit hour shall be allocated based on the following:

Category	Contact Hours per Week	Contact Hours per Sem. (based on minimum 15 week semester)
Class	1	15
Laboratory	2 or 3	30-45
Clinical	3 to 5	45-75
Practicum, Fieldwork	3	45
Internship	3 to 6	45-90
Co-op	Variable by Dept.	Variable by Dept.

	Honda Service and Maintenance HATN 121 Fall 2020
Department	Transportation Technologies
Instructor	Mr. Felton
NCC Email	jfelton@ccsnh.edu
Telephone Number	(603)578-8950
Office Hours	By Appointment Only
Office Location	Automotive building
Class Days/Meeting Time	Lecture: Tuesday 1:00 -1:50 Auditorium Thursday 1:00 -1:50 Online Lab: Monday 1:00 -4:50
Class Location	Lecture: Auditorium/Online Lab: Auto Building

Rationale:

This course provides an understanding of maintenance requirements for today's Honda or Acura vehicles. These concepts are important as they will be utilized when the student starts their internship at a Honda or Acura dealership.

Course Description:

This course is designed to introduce students to basic Honda automotive dealership repair. The course is centered on the topics outlined in both the NATEF Maintenance and Light Repair topics (MLR) and the proper procedure for executing the Honda Express Tech Service/ Acura Accelerated Service. The students will receive instruction in proper shop safety, proper tool identification and application, vehicle lifting, basic undercar diagnosis, and methods of research for proper vehicle repairs. The skills learned in this course will be directly applied once a student has secured a required internship at a certified Honda/Acura dealership.

Course Competencies:

1. Develop an understanding of proper shop safety protocols.
2. Introduction to Honda IN and Online University.
3. Acquire Honda Express Tech certification.

4. Develop basic automotive skills required for students to acquire a successful internship.
5. Introduction to the operation of some automotive systems.
6. Understanding of proper tool usage and application.
7. To apply safe working habits and respect for equipment, shop management, and personnel.

Essential Questions:

1. What new information can I use at my new internship at the Honda/Acura dealer?
2. Why is it important to know how to properly check over a vehicle?
3. What other information can be learned from properly checking over a vehicle?

Required Textbook(s):

Automotive Service, 5TH Edition.
Tim Gilles
ISBN 978-1-3051-1059-5

Supplemental Materials:

Access to Honda IN for both Honda and Acura
Access to Canvas

Course Expectations:

Make Up Policy:

Not all missed work is eligible for make-up. It is the student's responsibility to inquire about missed work at the first class meeting after returning from an absence. The instructor will determine eligibility and provide an appropriate assignment. Any approved assignment must be completed and turned in as directed.

There is no provision for make-up of a midterm exam, final exam, or lab practical exam.

Student Responsibilities, including but not limited to:

Students are responsible for completing reading and written assignments on time.

Students are expected to take notes. Not all covered material is in the book.

Students are expected to be professional and courteous.
Students are expected to arrive on time for classes/labs.
Students are expected to have the essential books/supplies/tools.
Protective eyewear is required in any lab (shop).
Food is prohibited in all labs and classrooms during classes.
Lab service bays must be cleaned and/or washed at the end of each lab session.
All students must contribute to the clean-up process.
No students will be dismissed from lab session until service bays are clean.

Homework

Self-study assignments are required. Some are listed in the course calendar; some will be assigned throughout the semester. Chapter end questions assigned per the course calendar are due at the beginning of the first class meeting of the week assigned. Chapter-end questions should include the question number, answer letter as well as the related answer text. Re-copying the question text is not necessary. Please include the chapter number on your answer sheet. Scheduled homework assignments are averaged into the equivalent of one quiz grade. Assignments will not be accepted late and a zero grade will be given, unless prior arrangements have been made. Any assignment turned in via e-mail will be accepted provided it is mailed prior to the due date/time. Occasionally work will be assigned that *must* be e-mailed, for those assignments a hard copy will not be accepted.

Grading:

Point/letter grade equivalents:

100-94: A
93-90: A-
89-87: B+
86-84: B
83-80: B-
79-77: C+
76-74: C
73-70: C-
69-67: D+
66-64: D
63-60: D-
Below 60: F

Grading Weights:

10% Quizzes
30% Lab Assignments/Evaluation
10% Midterm exam
15% Final exam
15% Lab exam
15% Modules
5% Homework

Available Support Services

Tutoring, The Writing Center, Available Academic Services: The Academic Success Center | located in the library offers academic support services which are open to all NCC students looking for additional help with their college assignments. Math tutoring and writing assistance are available. The Writing Center is for any student seeking assistance with the writing process for any class, not just College Composition. For more information and to view the tutoring schedules view here: <http://www.nashuacc.edu/student-services/academic-success-center>

Classroom Accommodations: Students who have a documented disability (physical, learning, or mental health) and require reasonable classroom accommodations must meet with the Disabilities Support Coordinator to set up a NCC Reasonable Accommodation Plan (RAP). If you had an IEP or 504 in high school, you may qualify for a plan. If you would like more information or if you are not sure if you qualify for a plan, please contact Jodi Quinn, Disabilities Support Coordinator, located in The Academic Success Center in the library, 603-578-8900 ext. 1451. View additional information and the application here: <http://www.nashuacc.edu/student-services/academic-success-center/disability-services> In order to receive classroom accommodations, it is the student's responsibility to meet with his/her instructor privately and provide a hard copy of the signed Reasonable Accommodation Plan (RAP) each term the student wants to utilize classroom accommodations even if the student has had that instructor in a previous term.

Audio Record Classroom Lecture: Please note that as a student in this class, you may have a classmate who by permission can audio record class lectures for his/her learning purposes. **Only students with prior written permission** from the instructor or the Disabilities Support Coordinator may audio record class lectures - *for educational purposes only*. Students who audio record class lectures are prohibited from selling, transcribing, or distributing the recordings in *any manner* and are asked to delete the recordings when it is no longer essential for their learning purposes.

Title IX Statement: Classroom instructors at Nashua Community College are encouraged to create and maintain a safe learning environment in which students feel able to share opinions and related life experiences in classroom discussions, in written work, and in meetings with professors. To the greatest extent possible, this information will be kept private. However, staff and faculty have a legal obligation to report information concerning sexual misconduct, violence and exploitation of individuals per federal statute and in compliance with established policies and procedures at Nashua Community College. If you have been subjected to sexual misconduct, violence or exploitation, we encourage you to contact your Title IX representative Lizbeth Gonzalez, 603-578-8900 x1528_ or lgonzalez@ccsnh.edu for support and assistance.

Additional information including resources can be found at: New Hampshire Coalition Against Domestic and Sexual Violence:
[http://www.nhcadv.org/Catchment%20map\(1\).pdf](http://www.nhcadv.org/Catchment%20map(1).pdf)

Department Policies

Transportation Technologies Attendance Policies:

We understand that sometimes “life happens” and you cannot get to class on time or at all but, all students are expected to attend each class for the full amount of time scheduled. It is an important part of your education and we want you to be successful.

All lectures and labs begin on the hour.

Tardiness: All students will receive 2 “late entrances” to class. On the third time that student will not be allowed into class and will receive a zero for that class. This will result in an absence and be counted towards the attendance policy for the AF grade.

Absences: Any student that will miss a class should notify the instructor by phone or email prior to the beginning of the class. All absences will result in accrued time towards the AF policy. Students are responsible for any make-up work, missed quizzes and exams due to absence. It is the instructor’s discretion to allow make-up work, take a quiz or exam.

Lab Policies and Expectations

Working in a typical automotive shop or “lab” environment requires that all participants observe and abide by all safety rules while, at the same time, practicing good common sense. Students must always be aware of the many moving parts, pressurized components and electric items encountered when servicing a vehicle. Extreme caution must be practiced when lifting or hoisting a vehicle. **Safety for all shop personnel is job one.**

Consideration must be given to the vehicle and the service operation that no harm comes to the vehicle. Students are required to treat each vehicle, including training vehicles, with respect. Students are expected to reassemble components correctly and with all fasteners installed and torqued.

Consideration must also be given to the learning experience related to the operation. Service information is available to the student in print form and through online information systems. Students are expected to reference related procedures and specifications for the job at hand. The student is also required to consult with the instructor to confirm proper procedure before attempting any repair that is unfamiliar to the student. This is a learning environment so don’t be afraid to ask for help.

The NCC Honda PACT program utilizes *task sheets* covering NATEF recommended topics. Task sheets outline a specific service operation with instructions and may include checklists for the student to document his/her progress as well as areas for the student to fill in test results Students are required

to complete task sheets during each lab session. These task sheets must be turned in to the instructor at the end of each lab and will be graded. Task sheets are available from the instructor and will soon be available on Blackboard.

Any student who wishes to service an outside vehicle (whether owned by the student or not) during a lab must obtain prior permission from the instructor. A "repair request" form must be completed and submitted to the instructor before the vehicle will be allowed into the shop. Any charges incurred are due and payable immediately. Students are responsible for all charges and fees related to any vehicle that the student brings in for service. Any student with an excessively delinquent auto bill will be barred from taking a midterm, final, or lab exam.

As noted above, protective eyewear is required in all labs, food is not allowed, and service bays must be cleaned at the end of each lab session. All students must contribute to the clean-up process.

College Policies

AF Policy: If a student misses more than the number of hours the course meets during a two-week period (e.g. six hours for a three credit course), the faculty may withdraw a student from the course with an "AF" grade. Please note that absences, tardies, and leaving class early all count towards "missed class time."

Students should also understand an AF grade can be assigned by an instructor or an administrator at any time for reasons other than poor grade performance or failure to meet attendance requirements e.g., violation of the Student Code of Conduct, disruptive behavior, etc.

Please be advised that if the behavior of any student (or students) continually disrupts the learning of his/her classmates, the following steps will be taken 1) verbal warning; 2) meeting with instructor and department chair; 3) referral to Vice President of Academic Affairs and/or removal from the course with AF grade.

An "AF" grade is calculated in the GPA as an "F". Students should refer to the student handbook for additional information about the AF policy.

Canvas: All instructors at NCC will be using Canvas. Canvas is the online learning management system used by instructors and learners at Nashua Community College. Instructors may post syllabi, course related documents and grades in Canvas. Students may be required to submit assignments and/or take assessments through Canvas and/or participate in discussion boards.

24/7 Canvas Support: To access support through email, phone or chat

click on the  icon. Students can also find guides, videos, and a Canvas community by clicking on the *CCSNH Resources* icon on the tool bar at the left of the Canvas screen then choosing Canvas Resources.

To directly link to Canvas On Demand tutorials, please visit the following link:

https://community.canvaslms.com/community/answers/guides/video-guide#jive_content_id_Students

If you have forgotten your Easy Login Password information, please visit the following link: <https://password.ccsnh.edu/accounts/Reset>

If class is ever cancelled because of instructor illness or inclement weather, students will need to check Canvas for their assignment.

College Email System: Nashua Community College has established a College electronic mail ("email") system as a means of the College sending official information to enrolled students, and for students to send communication to their instructors and College personnel. All students registered at NCC will be assigned a College email account/address to be used as the only email address for all email communication: 1) sent to the students from their instructors and from all College personnel; and, 2) sent by the students to their instructors and to all College personnel.

In addition:

- Students should check their College email account regularly to ensure they are staying current with all official communications. Official communication includes, but is not limited to, policy announcements, registration and billing information, schedule changes, emergency notifications and other critical and time sensitive information.
- Students should also check their college email account to be sure that they are current with all email communication from their faculty.
- The student email account/address should be the only e-mail address students use to send email to faculty and College personnel so that student email is recognized and opened.
- This service is provided exclusively to the students of NCC. Accounts are for individual use only, and are not transferable or to be used by any other individual.
- Students using their College email account do so under the policies set forth in the Student Handbook under "Student Computer Conduct Code".

Sensitive Materials Policy: During the semester, in order to cover certain academic topics, there may be occasions to view or discuss material which may not meet the student's own personal definition of appropriateness. At such times, every student has the right to decide not to participate. Every effort will be made by the instructor to notify students in advance of when such sensitive material will be used so that students can make alternative arrangements. Faculty will guide students in the identification of alternate learning opportunities consistent with

relevant course objectives so that students opting out of scheduled “sensitive” learning experiences will not be penalized academically in any way. Please note the opportunity to leave the classroom discretely is always available to each student when such sensitive material is being discussed. The student then has the responsibility before the next class meeting to inform the instructor as to the reason for leaving.

Plagiarism Policy: Plagiarism is a serious violation of a student’s academic integrity and the trust between a student and his or her teachers. Plagiarism is the act of a person presenting another person’s work as if it were his or her own original work. Such acts of plagiarism include, but are not limited to:

1. A student submitting as his or her own work an entire essay or other assignment written by another person.
2. A student taking word for word a section or sections of another person’s work without proper acknowledgment of the source and that the material is quoted.
3. A student using statistics or other such facts or insights as if these were the result of the student’s efforts and thus lacking proper acknowledgment of the original source.
4. The paraphrasing of another person’s unique work with no acknowledgment of the original source.
5. Copying another student’s work on a quiz or test.

When a student is found to have plagiarized an academic assignment, it will be up to each instructor to determine the penalty. Depending on the severity of the incident, this could range from a warning to a loss of credit for the assignment. In all cases of plagiarism, the student’s program coordinator will automatically be notified and the incident will be documented. If any further incidents of plagiarism are reported to the student’s program coordinator, additional sanctions will be imposed. These may include notification of the Vice President of Academic Affairs; loss of credit for the course; suspension or dismissal from a department program; academic probation; and/or expulsion from the College.

Credit Hour Guidelines

1. A credit hour shall be the equivalent of one (1) hour of classroom or direct faculty instruction and a minimum of two (2) hours of out-of-class student work each week for 15 or 16 weeks.

Course Calendar

Week #	Begins	LECTURE/DISCUSSION	LAB	ASSIGNMENT DUE
1	Aug 31	Chapter 2 and 3 Course introduction, careers, certification, safety	Safety tour, SDS(MSDS), Hazardous waste, tools and usage, Fire, lifting and jacking a vehicle, SRS/Hybrid/HID, Vehicle cleaning/sterilizing procedures	Ch2 and 3
2	Sep 7	Chapter 7 Hardware, Fasteners, Drills and Thread repair Quiz 121-1 Hardware, taps, dies	HeliCoil, Preparing Vehicle for Service, Preparing Vehicle for Customer, Vehicle inspections, oil change, tire rotate, TPMS reset	Ch7 Review 1-10 and ASE 1-5 Honda Modules: Tech Essentials, General, Express Tech, Pre-delivery inspection
3	Sep 14	Chapter 12 Engine Lubrication Quiz 121-2 Oil	Helicoil, Oil change demo, tire rotation demo Concern, Cause, Correction	Ch12 ASE 1-10 Honda Modules: Tech Essentials, General, Express Tech, Pre-delivery inspection

Telephone Number	(603)578-8950
Office Hours	By Appointment Only
Office Location	Automotive building
Class Days/Meeting Time	Dealer internship – schedules vary
Class Location	Dealership

Rationale:

This course work reinforces the concepts and skills taught in the Honda automotive technology program by requiring students to work at the dealership under the supervision of a master technician and/or dealership service department management

Course Description:

The Honda Internship course is designed to be a supplement to the Honda PACT program learning experience. Students will be required to complete a total of 192 hours of in dealership work experience per semester per 2 credit internship course. The internship experience is a paid internship that must take place at a Honda or Acura dealership. Students will be responsible for completing a journal that will document their hours worked, assigned workload, and overall dealership experience. This course will be designated as a Pass/Fail course. Periodic internship visits will be performed by the assigned instructor to monitor student progress

Course Competencies:

1. Successfully execute the roles of an express Service Technician (Honda) or Wet Tech or Dry Tech for Acura Accelerated Service
2. Student will work with a mentor and successfully complete assigned work by dealership personnel
3. Students will be able to utilize PACT training to complete automotive repair assignments successfully

4. Students will be able to work with other in an automotive dealership environment

Essential Questions:

1. How can I best utilize my time at the dealer to reinforce what I have learned in the classroom
2. What are some good practices I can use while at the dealer

Required Textbook(s):

NONE

Supplemental Materials:

Access to Honda IN for both Honda and Acura
Access to Canvas

Course Expectations:

Make Up Policy:

Not all missed work is eligible for make-up. It is the student's responsibility to inquire about missed work at the first class meeting after returning from an absence. The instructor will determine eligibility and provide an appropriate assignment. Any approved assignment must be completed and turned in as directed.

There is no provision for make-up of a midterm exam, final exam, or lab practical exam.

Student Responsibilities, including but not limited to:

Students are responsible for completing reading and written assignments on time.

Students are expected to take notes. Not all covered material is in the book.

Students are expected to be professional and courteous.

Students are expected to arrive on time for classes/labs.

Students are expected to have the essential books/supplies/tools.

Protective eyewear is required in any lab (shop).

Food is prohibited in all labs and classrooms during classes.

Lab service bays must be cleaned and/or washed at the end of each lab session.

All students must contribute to the clean-up process.

No students will be dismissed from lab session until service bays are clean.

Homework

Self-study assignments are required. Some are listed in the course calendar; some will be assigned throughout the semester. Chapter end questions assigned per the course calendar are due at the beginning of the first class meeting of the week assigned. Chapter-end questions should include the question number, answer letter as well as the related answer text. Re-copying the question text is not necessary. Please include the chapter number on your answer sheet. Scheduled homework assignments are averaged into the equivalent of one quiz grade. Assignments will not be accepted late and a zero grade will be given, unless prior arrangements have been made. Any assignment turned in via e-mail will be accepted provided it is mailed prior to the due date/time. Occasionally work will be assigned that *must* be e-mailed, for those assignments a hard copy will not be accepted.

Grading:

Pass/Fail

Available Support Services

Tutoring, The Writing Center, Available Academic Services: The Academic Success Center | located in the library offers academic support services which are open to all NCC students looking for additional help with their college assignments. Math tutoring and writing assistance are available. The Writing Center is for any student seeking assistance with the writing process for any class, not just College Composition. For more information and to view the tutoring schedules view here:

<http://www.nashuacc.edu/student-services/academic-success-center>

Classroom Accommodations: Students who have a documented disability (physical, learning, or mental health) and require reasonable classroom accommodations must meet with the Disabilities Support Coordinator to set up a NCC Reasonable Accommodation Plan (RAP). If you had an IEP or 504 in high school, you may qualify for a plan. If you would like more information or if you are not sure if you qualify for a plan, please contact Jodi Quinn, Disabilities Support Coordinator, located in The Academic Success Center in the library, 603-578-8900 ext. 1451. View additional information and the application here:

<http://www.nashuacc.edu/student-services/academic-success->

[center/disability-services](#) In order to receive classroom accommodations, it is the student's responsibility to meet with his/her instructor privately and provide a hard copy of the signed Reasonable Accommodation Plan (RAP) each term the student wants to utilize classroom accommodations even if the student has had that instructor in a previous term.

Audio Record Classroom Lecture: Please note that as a student in this class, you may have a classmate who by permission can audio record class lectures for his/her learning purposes. **Only students with prior written permission** from the instructor or the Disabilities Support Coordinator may audio record class lectures - *for educational purposes only*. Students who audio record class lectures are prohibited from selling, transcribing, or distributing the recordings in *any manner* and are asked to delete the recordings when it is no longer essential for their learning purposes.

Title IX Statement: Classroom instructors at Nashua Community College are encouraged to create and maintain a safe learning environment in which students feel able to share opinions and related life experiences in classroom discussions, in written work, and in meetings with professors. To the greatest extent possible, this information will be kept private. However, staff and faculty have a legal obligation to report information concerning sexual misconduct, violence and exploitation of individuals per federal statute and in compliance with established policies and procedures at Nashua Community College. If you have been subjected to sexual misconduct, violence or exploitation, we encourage you to contact your Title IX representative Lizbeth Gonzalez, 603-578-8900 x1528_ or lgonzalez@ccsnh.edu for support and assistance.

Department Policies

Transportation Technologies Attendance Policies:

We understand that sometimes "life happens" and you cannot get to class on time or at all but, all students are expected to attend each class for the full amount of time scheduled. It is an important part of your education and we want you to be successful.

All lectures and labs begin on the hour.

Tardiness: All students will receive 2 "late entrances" to class. On the third time that student will not be allowed into class and will receive a zero for that class. This will result in an absence and be counted towards the attendance policy for the AF grade.

Absences: Any student that will miss a class should notify the instructor by phone or email prior to the beginning of the class. All absences will result in accrued time towards the AF policy. Students are responsible for any make-up work, missed quizzes and exams due to absence. It is the instructor's discretion to allow make-up work, take a quiz or exam.

Lab Policies and Expectations

Working in a typical automotive shop or "lab" environment requires that all participants observe and abide by all safety rules while, at the same time, practicing good common sense. Students must always be aware of the many moving parts, pressurized components and electric items encountered when servicing a vehicle. Extreme caution must be practiced when lifting or hoisting a vehicle. **Safety for all shop personnel is job one.**

Consideration must be given to the vehicle and the service operation that no harm comes to the vehicle. Students are required to treat each vehicle, including training vehicles, with respect. Students are expected to reassemble components correctly and with all fasteners installed and torqued.

Consideration must also be given to the learning experience related to the operation. Service information is available to the student in print form and through online information systems. Students are expected to reference related procedures and specifications for the job at hand. The student is also required to consult with the instructor to confirm proper procedure before attempting any repair that is unfamiliar to the student. This is a learning environment so don't be afraid to ask for help.

The NCC Honda PACT program utilizes *task sheets* covering NATEF recommended topics. Task sheets outline a specific service operation with instructions and may include checklists for the student to document his/her progress as well as areas for the student to fill in test results. Students are required to complete task sheets during each lab session. These task sheets must be turned in to the instructor at the end of each lab and will be graded. Task sheets are available from the instructor and will soon be available on Blackboard.

Any student who wishes to service an outside vehicle (whether owned by the student or not) during a lab must obtain prior permission from the instructor. A "repair request" form must be completed and submitted to the instructor before the vehicle will be allowed into the shop. Any charges incurred are due and payable immediately. Students are responsible for all charges and fees related to any vehicle that the student brings in for service. Any student with an excessively delinquent auto bill will be barred from taking a midterm, final, or lab exam.

As noted above, protective eyewear is required in all labs, food is not allowed, and service bays must be cleaned at the end of each lab session. All students must contribute to the clean-up process.

College Policies

AF Policy: If a student misses more than the number of hours the course meets during a two-week period (e.g. six hours for a three credit course), the faculty may withdraw a student from the course with an "AF" grade. Please note that absences, tardies, and leaving class early all count towards "missed class time."

Students should also understand an AF grade can be assigned by an instructor or an administrator at any time for reasons other than poor grade performance or failure to meet attendance requirements e.g., violation of the Student Code of Conduct, disruptive behavior, etc.

Please be advised that if the behavior of any student (or students) continually disrupts the learning of his/her classmates, the following steps will be taken 1) verbal warning; 2) meeting with instructor and department chair; 3) referral to Vice President of Academic Affairs and/or removal from the course with AF grade.

An "AF" grade is calculated in the GPA as an "F". Students should refer to the student handbook for additional information about the AF policy.

Canvas: All instructors at NCC will be using Canvas. Canvas is the online learning management system used by instructors and learners at Nashua Community College. Instructors may post syllabi, course related documents and grades in Canvas. Students may be required to submit assignments and/or take assessments through Canvas and/or participate in discussion boards.

24/7 Canvas Support: To access support through email, phone or chat

click on the  icon. Students can also find guides, videos, and a Canvas community by clicking on the *CCSNH Resources* icon on the tool bar at the left of the Canvas screen then choosing Canvas Resources.

To directly link to Canvas On Demand tutorials, please visit the following link:

https://community.canvaslms.com/community/answers/guides/video-guide#jive_content_id_Students

If you have forgotten your Easy Login Password information, please visit the following link: <https://password.ccsnh.edu/accounts/Reset>

If class is ever cancelled because of instructor illness or inclement weather, students will need to check Canvas for their assignment.

College Email System: Nashua Community College has established a College electronic mail ("email") system as a means of the College sending official

information to enrolled students, and for students to send communication to their instructors and College personnel. All students registered at NCC will be assigned a College email account/address to be used as the only email address for all email communication: 1) sent to the students from their instructors and from all College personnel; and, 2) sent by the students to their instructors and to all College personnel.

In addition:

- Students should check their College email account regularly to ensure they are staying current with all official communications. Official communication includes, but is not limited to, policy announcements, registration and billing information, schedule changes, emergency notifications and other critical and time sensitive information.
- Students should also check their college email account to be sure that they are current with all email communication from their faculty.
- The student email account/address should be the only e-mail address students use to send email to faculty and College personnel so that student email is recognized and opened.
- This service is provided exclusively to the students of NCC. Accounts are for individual use only, and are not transferable or to be used by any other individual.
- Students using their College email account do so under the policies set forth in the Student Handbook under "Student Computer Conduct Code".

Sensitive Materials Policy: During the semester, in order to cover certain academic topics, there may be occasions to view or discuss material which may not meet the student's own personal definition of appropriateness. At such times, every student has the right to decide not to participate. Every effort will be made by the instructor to notify students in advance of when such sensitive material will be used so that students can make alternative arrangements. Faculty will guide students in the identification of alternate learning opportunities consistent with relevant course objectives so that students opting out of scheduled "sensitive" learning experiences will not be penalized academically in any way. Please note the opportunity to leave the classroom discretely is always available to each student when such sensitive material is being discussed. The student then has the responsibility before the next class meeting to inform the instructor as to the reason for leaving.

Plagiarism Policy: Plagiarism is a serious violation of a student's academic integrity and the trust between a student and his or her teachers. Plagiarism is the act of a person presenting another person's work as if it were his or her own original work. Such acts of plagiarism include, but are not limited to:

1. A student submitting as his or her own work an entire essay or other assignment written by another person.
2. A student taking word for word a section or sections of another person's work without proper acknowledgment of the source and that the material is quoted.

3. A student using statistics or other such facts or insights as if these were the result of the student's efforts and thus lacking proper acknowledgment of the original source.
4. The paraphrasing of another person's unique work with no acknowledgment of the original source.
5. Copying another student's work on a quiz or test.

When a student is found to have plagiarized an academic assignment, it will be up to each instructor to determine the penalty. Depending on the severity of the incident, this could range from a warning to a loss of credit for the assignment. In all cases of plagiarism, the student's program coordinator will automatically be notified and the incident will be documented. If any further incidents of plagiarism are reported to the student's program coordinator, additional sanctions will be imposed. These may include notification of the Vice President of Academic Affairs; loss of credit for the course; suspension or dismissal from a department program; academic probation; and/or expulsion from the College.

Credit Hour Guidelines

1. A credit hour shall be the equivalent of one (1) hour of classroom or direct faculty instruction and a minimum of two (2) hours of out-of-class student work each week for 15 or 16 weeks.

Course Calendar

Schedules will vary based on the availability of the student and the hours available at each individual dealer

 Nashua Community College	Honda ADVANCED AUTOMOTIVE ELECTRICITY AND ELECTRONICS HATN205 Fall 2020
Department	Transportation Technology
Instructor	Ben Wagstaff
NCC Email	bwagstaff@ccsnh.edu
Telephone Number	603-882-6923 X-1543
Office Hours	Mon, Tue, Wed, Thu, Fri 3:00pm-4:00pm
Office Location	Automotive Building
Class Days/Meeting Time	Lecture: Mon 10:00-10:50 am, Wed 2:00-2:50pm Lab AL1: Wed 8:00am-11:50am
Class Location	Lecture: Room. Online; Lab: Auto Bldg. Room 8

Rationale:

Develop safe work habits and respect for shop equipment and personnel.

Course Description:

The course includes operating principles and troubleshooting of various systems, body computers, multiplexing, keyless entry, etc. Testing of sensors and circuits and On-board diagnostics related to these systems will be covered.

Course Competencies:

Competency (Knowledge and Skills)	Critical Thinking Level
Students will be able to: To develop safe working habits and respect for equipment and shop management.	Recognize and apply
Understand the operation of components found in solid state circuitry, such as capacitors, transistors, diodes and resistors.	Identify and apply
Proper knowledge and interpretation of wiring diagrams of computer controlled systems.	Recognize and apply
Diagnose systems with the use of diagnostic test equipment.	Analyze
Understand the basics of multiplex systems.	Recognize

To become proficient at reading wiring diagrams and service manuals.	Recognize, apply and analyze
To build experience and competence in the troubleshooting of electrical problems on vehicles.	Recognize, apply and analyze

Essential Questions:

What Safety precautions should I practice while performing work of this nature?

What kind of specialty equipment should I be using while performing work of this nature?

What could be the result of not using the proper equipment or safety precautions while performing work of this nature?

Required Textbook(s):

Automotive Technology: Principles, Diagnosis and Service; 5th Ed. 2016

ISBN#9780133994612

Supplemental Materials:

Access to Canvas.

Course Expectations:

Attendance:

Class attendance is considered essential to academic success of students. Since there are constant learning opportunities between faculty members and students, and between students and other students within the classroom or lab, it is expected that students will attend each meeting of each course in which they are enrolled. In addition, the lesson disruptions caused by late arrivals and the resulting missed material is likely to negatively impact each student's learning experience. The instructor reserves the right to refuse admission to any student who repeatedly arrives late for class or lab. Attendance information is typically collected at the beginning of each class/lab meeting, consequently there is no distinction between *absent* and *late*. Furthermore, students may expect random, weekly participation quizzes on covered material and assigned reading. Participation quizzes are generally given at the beginning of class. Only those students who are present, and on time, may participate. Participation quizzes are not eligible for make-up.

If a student is absent more than the number of hours a course meets in a two week period, (10 hours) the faculty may withdraw that student from the course

with an "AF" grade any time during the semester. An "AF" grade is calculated in the GPA as an "F". There is no provision in the course calendar for repeating of lectures, labs or demonstrations due to absenteeism.

Make Up Policy:

Not all missed work is eligible for make-up. It is the student's responsibility to inquire about missed work at the first class meeting after returning from an absence. The instructor will determine eligibility and provide an appropriate assignment. Any approved assignment must be completed and turned in as directed. There is no provision for make-up of a midterm exam, final exam, or lab practical exam.

Homework:

Self-study assignments are required. Some are listed in the course calendar, some will be assigned throughout the semester. Chapter end questions assigned per the course calendar are due at the beginning of the first class meeting of the week assigned. Chapter-end questions should include the question number, answer letter as well as the related answer text. Please include the chapter number on your answer sheet.

Scheduled homework assignments are combined into the equivalent of two test grades. Assignments passed in one class late will be accepted at reduced credit. Assignments will not be accepted more than one class late.

Any assignment turned in via e-mail will be accepted provided it is mailed prior to the due date/time.

Grading:

Please refer to your department grading scale.

Note: If you give a participation grade, you will need to provide students with a rubric that explains how this grade is calculated. Participation can count for no more than 15% of the final course grade.

Available Support Services

Available Support Services

Tutoring, The Writing Center, Available Academic Services: The Academic Success Center | located in the library offers academic support services which are open to all NCC students looking for additional help with their college assignments. Math tutoring and writing assistance are available. The Writing

Center is for any student seeking assistance with the writing process for any class, not just College Composition. For more information and to view the tutoring schedules view here: <http://www.nashuacc.edu/student-services/academic-success-center>

Classroom Accommodations: Students who have a documented disability (physical, learning, or mental health) and require reasonable classroom accommodations must meet with the Disabilities Support Coordinator to set up a NCC Reasonable Accommodation Plan (RAP). If you had an IEP or 504 in high school, you may qualify for a plan. If you would like more information or if you are not sure if you qualify for a plan, please contact Jodi Quinn, Disabilities Support Coordinator, located in The Academic Success Center in the library, 603-578-8900 ext. 1451. View additional information and the application here: <http://www.nashuacc.edu/student-services/academic-success-center/disability-services> In order to receive classroom accommodations, it is the student's responsibility to meet with his/her instructor privately and provide a hard copy of the signed Reasonable Accommodation Plan (RAP) each term the student wants to utilize classroom accommodations even if the student has had that instructor in a previous term.

Audio Record Classroom Lecture: Please note that as a student in this class, you may have a classmate who by permission can audio record class lectures for his/her learning purposes. **Only students with prior written permission** from the instructor or the Disabilities Support Coordinator may audio record class lectures - *for educational purposes only*. Students who audio record class lectures are prohibited from selling, transcribing, or distributing the recordings in *any manner* and are asked to delete the recordings when it is no longer essential for their learning purposes.

Title IX Statement: Classroom instructors at Nashua Community College are encouraged to create and maintain a safe learning environment in which students feel able to share opinions and related life experiences in classroom discussions, in written work, and in meetings with professors. To the greatest extent possible, this information will be kept private. However, staff and faculty have a legal obligation to report information concerning sexual misconduct, violence and exploitation of individuals per federal statute and in compliance with established policies and procedures at Nashua Community College. If you have been subjected to sexual misconduct, violence or exploitation, we encourage you to contact your Title IX representative Lizbeth Gonzalez, 603-578-8900 x1528_ or lgonzalez@ccsnh.edu for support and assistance. You may also contact Bridges, the local crisis center, for free and confidential services at their 24hr support line 603-883-3044. You do not need to be in crisis to call.

Additional information including resources can be found at:

New Hampshire Coalition Against Domestic and Sexual Violence:

uSafeUS <https://usafeus.org/app3/webviewer.html>

Bridges <https://www.bridgesnh.org/>

Additional Student Support Services: Information on additional support services for NCC students can be found at <http://nashuacc.edu/student-services/where-to-find-assistance-at-ncc>

Department Policies

Cellphones, laptops, tablets and other electronic equipment should be shut off during class unless previously approved by instructor.

Required Tools:

All students are required to possess hand tools per the *Required Tool List*. Each student is expected to have the tools available for each lab session. The instructor reserves the right to refuse admission to (or dismiss from) lab any student who is not regularly prepared with the required tools. All tools should be at the college no later than the first Monday in October.

Students Who Wish to Provide "Live" Shop Work

Any student who wishes to service an outside vehicle (whether owned by the student or not) during a lab must obtain **prior** permission from the instructor. Any charges incurred are due and payable immediately. Current students may be granted a "one school day" grace period, however any student with an excessively delinquent auto bill may be barred from taking a midterm, final, or lab exam. Instructors reserve the right to secure pre-payment for any invoice expected to exceed \$100.

College Policies

AF Policy: If a student misses more than the number of hours the course meets during a two-week period (e.g. six hours for a three credit course), the faculty may withdraw a student from the course with an "AF" grade. Please note that absences, tardies, and leaving class early all count towards "missed class time."

Students should also understand an AF grade can be assigned by an instructor or an administrator at any time for reasons other than poor grade performance or failure to meet attendance requirements e.g., violation of the Student Code of Conduct, disruptive behavior, etc.

Please be advised that if the behavior of any student (or students) continually disrupts the learning of his/her classmates, the following steps will be taken 1) verbal warning; 2) meeting with instructor and department chair; 3) referral to Vice President of Academic Affairs and/or removal from the course with AF grade.

An "AF" grade is calculated in the GPA as an "F". Students should refer to the student handbook for additional information about the AF policy.

Canvas: All instructors at NCC will be using Canvas. Canvas is the online learning management system used by instructors and learners at Nashua Community College. Instructors may post syllabi, course related documents and grades in Canvas. Students may be required to submit assignments and/or take assessments through Canvas and/or participate in discussion boards.

To directly link to Canvas On Demand tutorials, please visit the following link:

https://community.canvaslms.com/community/answers/guides/video-guide#jive_content_id_Students

If you have forgotten your Easy Login Password information, please visit the following link: <https://password.ccsnh.edu/accounts/Reset>

If class is ever cancelled because of instructor illness or inclement weather, students will need to check Canvas for their assignments.

College Email System: Nashua Community College has established a College electronic mail ("email") system as a means of the College sending official information to enrolled students, and for students to send communication to their instructors and College personnel. All students registered at NCC will be assigned a College email account/address to be used as the only email address for all email communication: 1) sent to the students from their instructors and from all College personnel; and, 2) sent by the students to their instructors and to all College personnel.

In addition:

- Students should check their College email account regularly to ensure they are staying current with all official communications. Official communication includes, but is not limited to, policy announcements, registration and billing information, schedule changes, emergency notifications and other critical and time sensitive information.
- Students should also check their college email account to be sure that they are current with all email communication from their faculty.
- The student email account/address should be the only e-mail address students use to send email to faculty and College personnel so that student email is recognized and opened.
- This service is provided exclusively to the students of NCC. Accounts are for individual use only, and are not transferable or to be used by any other individual.
- Students using their College email account do so under the policies set forth in the Student Handbook under "Student Computer Conduct Code".

Sensitive Materials Policy: During the semester, in order to cover certain academic topics, there may be occasions to view or discuss material which may not meet the student's own personal definition of appropriateness. At such times, every student has the right to decide not to participate. Every effort will be made by the instructor to notify students in advance of when such sensitive material will be used so that students can make alternative arrangements. Faculty will guide students in the identification of alternate learning opportunities consistent with relevant course objectives so that

students opting out of scheduled “sensitive” learning experiences will not be penalized academically in any way. Please note the opportunity to leave the classroom discretely is always available to each student when such sensitive material is being discussed. The student then has the responsibility before the next class meeting to inform the instructor as to the reason for leaving.

Plagiarism Policy: Plagiarism is a serious violation of a student’s academic integrity and the trust between a student and his or her teachers. Plagiarism is the act of a person presenting another person’s work as if it were his or her own original work. Such acts of plagiarism include, but are not limited to:

- A student submitting as his or her own work an entire essay or other assignment written by another person.
- A student taking word for word a section or sections of another person’s work without proper acknowledgment of the source and that the material is quoted.
- A student using statistics or other such facts or insights as if these were the result of the student’s efforts and thus lacking proper acknowledgment of the original source.
- The paraphrasing of another person’s unique work with no acknowledgment of the original source.
- Copying another student’s work on a quiz or test.

When a student is found to have plagiarized an academic assignment, it will be up to each instructor to determine the penalty. Depending on the severity of the incident, this could range from a warning to a loss of credit for the assignment. In all cases of plagiarism, the student’s program coordinator will automatically be notified and the incident will be documented. If any further incidents of plagiarism are reported to the student’s program coordinator, additional sanctions will be imposed. These may include notification of the Vice President of Academic Affairs; loss of credit for the course; suspension or dismissal from a department program; academic probation; and/or expulsion from the College.

Credit Hour Guidelines

- A credit hour shall be the equivalent of one (1) hour of classroom or direct faculty instruction and a minimum of two (2) hours of out-of-class student work each week for 15 or 16 weeks.
- A credit hour shall be allocated based on the following:

Category	Contact Hours per Week	Contact Hours per Sem. (based on minimum 15 week semester)
Class	1	15
Laboratory	2 or 3	30-45
Clinical	3 to 5	45-75
Practicum, Fieldwork	3	45
Internship	3 to 6	45-90

Co-op	Variable by Dept.	Variable by Dept.

	Honda Transmissions and Drive Lines HATN 226 Fall 2020
Department	Industry and Transportation
Instructor	Mr. Felton
NCC Email	jfelton@ccsnh.edu
Telephone Number	(603)578-8900 ext 1470
Office Hours	By Appointment Only
Office Location	Automotive Building
Class Days/Meeting Time	Lecture: Tuesday 8:00 – 8:50 Thursday 8:00 – 8:50 Lab: Tuesday 9:00 – 11:50 Thursday 9:00 – 11:50
Class Location	Lecture: H186, Lab: auto building

Rationale:

This course provides an understanding of how modern day transmissions and drivelines work. It is important to take this class to properly diagnose a driveline concern and determine an appropriate course of action.

Course Description:

This course is designed to introduce students to the basic principles employed in the construction, operation and diagnosis of the various components and systems involved in the transmissions (manual, automatic and CVT) of current automotive vehicles. Topics for this course include clutches, transmissions/transaxles, both front and rear wheel drive train components including drive shafts, axles and differentials. Four wheel drive and all-wheel drive systems are discussed as well. This course is designed to meet the requirements of NATEF certification in the topic of manual drive train and axles as well as automatic transmissions. All required Honda modules (both self-study and skill) will be included as course work for this course. Satisfactory completion of HATN 226 is a requirement for graduation from the Honda Automotive Technology program.

Course Competencies:

1. Understand how power flows from the engine to the drive wheels
2. Understand the operation, and diagnosis of a manual clutch
3. Understand the operation and diagnosis of a manual transmission
4. Understand the basic operation and diagnosis of an automatic transmission
5. Understand the proper diagnosis, repair and safety procedures for all drive train components

Essential Questions:

1. Why is it important to understand the power flow from the engine to the drive wheels?
2. Why is it important to learn how a manual transmission and clutch work?
3. Why is it important to understand how an automatic transmission works?

Required Textbook(s):

Textbook utilized in previous classes will be used again

Supplemental Materials:

Access to Honda IN for both Honda and Acura
Access to Canvas

Course Expectations:

Make Up Policy:

Not all missed work is eligible for make-up. It is the student's responsibility to inquire about missed work at the first class meeting after returning from an absence. The instructor will determine eligibility and provide an appropriate assignment. Any approved assignment must be completed and turned in as directed. There is no provision for make-up of a midterm exam, final exam, or lab practical exam.

Student Responsibilities, including but not limited to:

Students are responsible for completing reading and written assignments on time.

Students are expected to take notes. Not all covered material is in the book.

Students are expected to be professional and courteous.

Students are expected to arrive on time for classes/labs.

Students are expected to have the essential books/supplies/tools.

Protective eyewear is required in any lab (shop).

Food is prohibited in all labs and classrooms during classes.

Lab service bays must be cleaned and/or washed at the end of each lab session.

All students must contribute to the clean-up process.

No students will be dismissed from lab session until service bays are clean.

Homework

Self-study assignments are required. Some are listed in the course calendar; some will be assigned throughout the semester. Chapter end questions assigned per the course calendar are due at the beginning of the first class meeting of the week assigned. Chapter-end questions should include the question number, answer letter as well as the related answer text. Re-copying the question text is not necessary. Please include the chapter number on your answer sheet.

Assignments will not be accepted late and a zero grade will be given, unless prior arrangements have been made. Any assignment turned in via e-mail will be accepted provided it is mailed prior to the due date/time. Occasionally work will be assigned that *must* be e-mailed, for those assignments a hard copy will not be accepted.

Grading:

Point/letter grade equivalents:

100-94: A
93-90: A-
89-87: B+
86-84: B
83-80: B-
79-77: C+
76-74: C
73-70: C-
69-67: D+
66-64: D

Grading Weights:

10% Quizzes
30% Lab Assignments/Evaluation
10% Midterm exam
15% Final exam
15% Lab exam
15% Honda Courses
5% Homework

Available Support Services

Tutoring, The Writing Center, Available Academic Services: The Academic Success Center | located in the library offers academic support services which are open to all NCC students looking for additional help with their college assignments. Math tutoring and writing assistance are available. The Writing Center is for any student seeking assistance with the writing process for any class, not just College Composition. For more information and to view the tutoring schedules view here: <http://www.nashuacc.edu/student-services/academic-success-center>

Classroom Accommodations: Students who have a documented disability (physical, learning, or mental health) and require reasonable classroom accommodations must meet with the Disabilities Support Coordinator to set up a NCC Reasonable Accommodation Plan (RAP). If you had an IEP or 504 in high school, you may qualify for a plan. If you would like more information or if you are not sure if you qualify for a plan, please contact Jodi Quinn, Disabilities Support Coordinator, located in The Academic Success Center in the library, 603-578-8900 ext. 1451. View additional information and the application here: <http://www.nashuacc.edu/student-services/academic-success-center/disability-services> In order to receive classroom accommodations, it is the student's responsibility to meet with his/her instructor privately and provide a hard copy of the signed Reasonable Accommodation Plan (RAP) each term the student wants to utilize classroom accommodations even if the student has had that instructor in a previous term.

Audio Record Classroom Lecture: Please note that as a student in this class, you may have a classmate who by permission can audio record class lectures for his/her learning purposes. **Only students with prior written permission** from the instructor or the Disabilities Support Coordinator may audio record class lectures - *for educational purposes only*. Students who audio record class lectures are prohibited from selling, transcribing, or distributing the recordings in *any manner* and are asked to delete the recordings when it is no longer essential for their learning purposes.

Title IX Statement: Classroom instructors at Nashua Community College are encouraged to create and maintain a safe learning environment in which students feel able to share opinions and related life experiences in classroom discussions, in written work, and in meetings with professors. To the greatest extent possible, this information will be kept private. However, staff and faculty have a legal obligation to report information concerning sexual misconduct, violence and exploitation of individuals per federal statute and in compliance with established policies and procedures at Nashua Community College. If you have been subjected to sexual misconduct, violence or exploitation, we encourage you to contact your Title IX representative Lizbeth Gonzalez, 603-578-8900 x1528_ or lgonzalez@ccsnh.edu for support and assistance.

Additional information including resources can be found at: New Hampshire Coalition Against Domestic and Sexual Violence:
[http://www.nhcadv.org/Catchment%20map\(1\).pdf](http://www.nhcadv.org/Catchment%20map(1).pdf)

Department Policies

Transportation Technologies Attendance Policies:

We understand that sometimes “life happens” and you cannot get to class on time or at all but, all students are expected to attend each class for the full amount of time scheduled. It is an important part of your education and we want you to be successful.

All lectures and labs begin on the hour.

Tardiness: All students will receive 2 “late entrances” to class. On the third time that student will not be allowed into class and will receive a zero for that class. This will result in an absence and be counted towards the attendance policy for the AF grade.

Absences: Any student that will miss a class should notify the instructor by phone or email prior to the beginning of the class. All absences will result in accrued time towards the AF policy. Students are responsible for any make-up work, missed quizzes and exams due to absence. It is the instructor’s discretion to allow make-up work, take a quiz or exam.

Lab Policies and Expectations

Working in a typical automotive shop or “lab” environment requires that all participants observe and abide by all safety rules while, at the same time, practicing good common sense. Students must always be aware of the many moving parts, pressurized components and electric items encountered when servicing a vehicle. Extreme caution must be practiced when lifting or hoisting a vehicle. **Safety for all shop personnel is job one.**

Consideration must be given to the vehicle and the service operation that no harm comes to the vehicle. Students are required to treat each vehicle, including training vehicles, with respect. Students are expected to reassemble components correctly and with all fasteners installed and torqued.

Consideration must also be given to the learning experience related to the operation. Service information is available to the student in print form and through online information systems. Students are expected to reference related procedures and specifications for the job at hand. The student is also required to consult with the instructor to confirm proper procedure before attempting any repair that is unfamiliar to the student. This is a learning environment so don’t be afraid to ask for help.

The NCC Honda PACT program utilizes *task sheets* covering NATEF recommended topics. Task sheets outline a specific service operation with instructions and may include checklists for the student to document his/her progress as well as areas for the student to fill in test results Students are required

to complete task sheets during each lab session. These task sheets must be turned in to the instructor at the end of each lab and will be graded. Task sheets are available from the instructor and will soon be available on Blackboard.

Any student who wishes to service an outside vehicle (whether owned by the student or not) during a lab must obtain prior permission from the instructor. A "repair request" form must be completed and submitted to the instructor before the vehicle will be allowed into the shop. Any charges incurred are due and payable immediately. Students are responsible for all charges and fees related to any vehicle that the student brings in for service. Any student with an excessively delinquent auto bill will be barred from taking a midterm, final, or lab exam.

As noted above, protective eyewear is required in all labs, food is not allowed, and service bays must be cleaned at the end of each lab session. All students must contribute to the clean-up process.

College Policies

AF Policy: If a student misses more than the number of hours the course meets during a two-week period (e.g. six hours for a three credit course), the faculty may withdraw a student from the course with an "AF" grade. Please note that absences, tardies, and leaving class early all count towards "missed class time."

Students should also understand an AF grade can be assigned by an instructor or an administrator at any time for reasons other than poor grade performance or failure to meet attendance requirements e.g., violation of the Student Code of Conduct, disruptive behavior, etc.

Please be advised that if the behavior of any student (or students) continually disrupts the learning of his/her classmates, the following steps will be taken 1) verbal warning; 2) meeting with instructor and department chair; 3) referral to Vice President of Academic Affairs and/or removal from the course with AF grade.

An "AF" grade is calculated in the GPA as an "F". Students should refer to the student handbook for additional information about the AF policy.

Canvas: All instructors at NCC will be using Canvas. Canvas is the online learning management system used by instructors and learners at Nashua Community College. Instructors may post syllabi, course related documents and grades in Canvas. Students may be required to submit assignments and/or take assessments through Canvas and/or participate in discussion boards.

24/7 Canvas Support: To access support through email, phone or chat

click on the  icon. Students can also find guides, videos, and a Canvas community by clicking on the *CCSNH Resources* icon on the tool bar at the left of the Canvas screen then choosing Canvas Resources.

To directly link to Canvas On Demand tutorials, please visit the following link:

https://community.canvaslms.com/community/answers/guides/video-guide#jive_content_id_Students

If you have forgotten your Easy Login Password information, please visit the following link: <https://password.ccsnh.edu/accounts/Reset>

If class is ever cancelled because of instructor illness or inclement weather, students will need to check Canvas for their assignment.

College Email System: Nashua Community College has established a College electronic mail ("email") system as a means of the College sending official information to enrolled students, and for students to send communication to their instructors and College personnel. All students registered at NCC will be assigned a College email account/address to be used as the only email address for all email communication: 1) sent to the students from their instructors and from all College personnel; and, 2) sent by the students to their instructors and to all College personnel.

In addition:

- Students should check their College email account regularly to ensure they are staying current with all official communications. Official communication includes, but is not limited to, policy announcements, registration and billing information, schedule changes, emergency notifications and other critical and time sensitive information.
- Students should also check their college email account to be sure that they are current with all email communication from their faculty.
- The student email account/address should be the only e-mail address students use to send email to faculty and College personnel so that student email is recognized and opened.
- This service is provided exclusively to the students of NCC. Accounts are for individual use only, and are not transferable or to be used by any other individual.
- Students using their College email account do so under the policies set forth in the Student Handbook under "Student Computer Conduct Code".

Sensitive Materials Policy: During the semester, in order to cover certain academic topics, there may be occasions to view or discuss material which may not meet the student's own personal definition of appropriateness. At such times, every student has the right to decide not to participate. Every effort will be made by the instructor to notify students in advance of when such sensitive material will be used so that students can make alternative arrangements. Faculty will guide students in the identification of alternate learning opportunities consistent with relevant course objectives so that students opting out of scheduled "sensitive" learning experiences will not be penalized academically in any way. Please note

the opportunity to leave the classroom discretely is always available to each student when such sensitive material is being discussed. The student then has the responsibility before the next class meeting to inform the instructor as to the reason for leaving.

Plagiarism Policy: Plagiarism is a serious violation of a student's academic integrity and the trust between a student and his or her teachers. Plagiarism is the act of a person presenting another person's work as if it were his or her own original work. Such acts of plagiarism include, but are not limited to:

1. A student submitting as his or her own work an entire essay or other assignment written by another person.
2. A student taking word for word a section or sections of another person's work without proper acknowledgment of the source and that the material is quoted.
3. A student using statistics or other such facts or insights as if these were the result of the student's efforts and thus lacking proper acknowledgment of the original source.
4. The paraphrasing of another person's unique work with no acknowledgment of the original source.
5. Copying another student's work on a quiz or test.

When a student is found to have plagiarized an academic assignment, it will be up to each instructor to determine the penalty. Depending on the severity of the incident, this could range from a warning to a loss of credit for the assignment. In all cases of plagiarism, the student's program coordinator will automatically be notified and the incident will be documented. If any further incidents of plagiarism are reported to the student's program coordinator, additional sanctions will be imposed. These may include notification of the Vice President of Academic Affairs; loss of credit for the course; suspension or dismissal from a department program; academic probation; and/or expulsion from the College.

Credit Hour Guidelines

1. A credit hour shall be the equivalent of one (1) hour of classroom or direct faculty instruction and a minimum of two (2) hours of out-of-class student work each week for 15 or 16 weeks.
2. A credit hour shall be allocated based on the following:

Category	Contact Hours per Week	Contact Hours per Sem. (based on minimum 15 week semester)
Class	1	15
Laboratory	2 or 3	30-45
Clinical	3 to 5	45-75
Practicum, Fieldwork	3	45
Internship	3 to 6	45-90
Co-op	Variable by Dept.	Variable by Dept.

Course Calendar

Week	Begins Monday:	Chapter to cover	LECTURE/DISCUSSION	LAB	ASSIGNMENT DUE
1	Aug 31	121	Clutch Diagnosis and Service	Transmission external component identification(Manual and Automatic) JOB Sheet 3, 4,	Homework - Chap 121 questions Honda Modules – MTC13
2	Sept 7	122	Manual Transmissions/Transaxles Fundamentals	Remove and reinstall transmissions shifter mechanism Job Sheet 195, 197	Homework – Chap 122 questions Honda Modules – Transmission/drivetrain ,
3	Sept14	122	Manual Transmission/ Transaxles operation and Diagnosis	R&R Transmissions Job sheet 196, 199 or Manual Transmission disassembly/reassembly MTS02, MTS04 Job Sheet 198	Homework – none Honda Modules – Transmission/drivetrain
4	Sept 21	127	Automatic Transmissions/Transaxle Principles	R&R Transmissions Job sheet 196 or 199 OR Manual Transmission disassembly/reassembly MTS02, MTS04	Homework – Chap 127 Questions Honda Modules – Transmission/drivetrain
5	Sept 28	127/128	Hydraulic Components and Controls	Automatic Transmission disassembly/reassembly Job sheet 211,213,214,215,226	Homework – Chap 128 questions Honda Modules – Transmission/drivetrain
6	Oct 5	128	Automatic Transmission Fundamentals	Automatic Transmission disassembly/reassembly	Homework – none Honda Modules – Transmission/drivetrain
7	Oct 12	129	Automatic Transmission Diagnosis and Service	Automatic transmission testing Job sheets 206,207,208,209,210	Homework – Chap 129 questions Honda Modules – Transmission/drivetrain
8	Oct 19	129	Automatic Transmission Diagnosis and Service Midterm	Automatic transmission testing Job sheets 206,207,208,209,210	Homework – none Honda Modules – Transmission/drivetrain
9	Oct 26	130	Automatic Transmission/Transaxle Unit Repair	Complete all Transmission work	Homework – Chap 130 questions Honda Modules – Transmission/drivetrain
10	Nov 2	123	Drive Axle Shafts and CV Joints	CV joint service and diagnosis Job sheet 225, 173	Homework – Chap 123 questions Honda Modules – Transmission/drivetrain
11	Nov 9	124	Driveline Diagnosis and Service U-Joints and Rear Differential	CV joint service and diagnosis Job sheet 225, 173	Homework – Chap 124 questions Honda Modules – Transmission/drivetrain
12	Nov 16	125	Drive Axles and Differentials	Rear Differentials, Drive shafts and U-joints Job sheets 220,221,222, 223, 228	Homework – Chap 125 questions Honda Modules – Transmission/drivetrain
13	Nov 23	125	Drive Axles and Differentials	Rear Differentials, Drive shafts and U-joints Job sheets 220,221,222, 223, 228	Homework – none Honda Modules - Transmission/drivetrain
14	Nov 30	126	Driveline Vibration and service	Job sheet 228	Homework – Chap 126 questions Honda Modules - Transmission/drivetrain
15	Dec 7	126	Honda AWD systems	Complete missing or remaining Job sheets 224?	Homework – none Honda Modules – Transmission/drivetrain
16	Dec 14		Final Exam	Lab exam	

This schedule is subject to change. In the event of class cancellation due to inclement weather or instructor illness, students are directed to the course Canvas site for an alternate assignment for that day.
