

Safety Expectations on Campus

Before coming to campus, make sure you have followed your institution's health screening guidelines. Stay home if you are feeling sick.

Observe social distancing.

Minimize contact with surfaces, objects and other people.

Wash your hands frequently with warm water and soap for at least 20 seconds.

Wear a mask. Avoid touching the mask itself; instead use the ear straps.

Use entrances/exits as instructed and remain in designated areas.

Use hand sanitizer.

Sneeze or cough into your elbow.

Maintain social distance during meals and breaks.

If you work in a high-risk environment, follow workplace guidelines before coming to campus.
