On reverse of all pages

Starting with the Fall of 1996, academic history will be displayed as one college for NH Community Technical College - Claremont and Nashua, regardless of course location, through the Spring Term ending May 2006.

For courses taken in the Summer Term 2006 and thereafter, academic history will be held at the institution where the course(s) were taken. Transcripts will be required from each college, where applicable.

ACCREDITATION

Nashua Community College is accredited by the New England Commission of Higher Education (NECHE).

TRANSFER CREDIT

Nashua Community College accepts credits from other accredited institutions of higher education based on equivalency of course content and provided that grades of C or above have been assigned by the issuing institution.

Grades of courses transferred are not included in the GPA or CGPA. Credits earned at another institution will be added to the total credits accumulated for graduation.

SEMESTER AND CREDIT HOUR EXPLANATION

Prior to the Fall of 1984, Nashua Community College used the quarter hour system. After that time, courses are measured in semester hours.

GRADE POINT AVERAGE

Semester and cumulative grade point averages are calculated for all students. The GPA is calculated by multiplying quality points by credit hours for each course, totaling these products, and dividing the sum by the total credit hours attempted in a given semester.

CREDIT BY EXAMINATION

A student presenting evidence supporting previous experience or prior educational preparation in a particular subject area may challenge a course by requesting and completing an examination which covers the instructional and/or laboratory material of the course. Credit is not calculated in to GPA.

CLEP: COLLEGE-LEVEL EXAMINATION PROGRAM

Nashua Community College awards credit for some courses through the CLEP program administered by the College Entrance Examination Board.

Rev 03/10

CREDIT FOR EXPERIENTIAL LEARNING

Credit for experiential learning is available only through the General Associate of Applied Science and Associate in General Studies Programs.

BASIC GRADUATION REQUIREMENTS

Students must satisfactorily complete the program in which they are enrolled by achieving a passing grade for all courses required by the specific program and a 2.0 or higher cumulative grade point average. (Prior to the incoming class for Fall of 1995, the minimum cumulative grade point average required for graduation was 1.9)

ACADEMIC HONORS

Academic honors are based on all courses taken in a given semester. A full-time, matriculated student in good standing with a grade point average of at least 3.7 is entitled to honors on the President's List. A full-time, matriculated student earning a grade point average of 3.0 to 3.69 is entitled to honors on the Vice President's List.

GRADUATION HONORS

CGPA 3.20 - 3.59 = Cum Laude

CGPA 3.60 - 3.89 = Magna Cum Laude

CGPA 3.90 - 4.00 = Summa Cum Laude

GRADING SYSTEM (Effective Fall 1997)

<u>Grade</u>	<u>Quality Points</u>
A	4.0
A-	3.7
B+	3.3
B	3.0
B-	2.7
C+	2.3
C	2.0
C-	1.7
D+	1.3
D	1.0
D-	0.7
F	0.0
WF	0.0 (Withdrawal Failing)
AF	0.0 (Administrative Failure)

As of Fall 2008, all Developmental /ESOL Courses (courses with an asterisk after the title) will be included in GPA/CGPA calculations. They carry the same Quality Points as above. These courses do not fulfill graduation requirements.

Grades not used in computation of Grade Point Average:
