Why Choose an Accounting III Certificate

Credits earned in the Accounting III Certificate Program can be applied to the Associate in Science in Business Administration curriculum in Accounting.

The Business Administration degree in Accounting is designed to provide students with the knowledge and skills required to confidently pursue an entry level position in the accounting field upon graduation. The program features a mix of both applied and theoretical courses, with both day and evening offerings.

The degree program builds a foundation for those looking to continue their education after NCC too. Students can transfer earned credits to pursue a four-year bachelor degree in Accounting, Accounting/Finance, or Business Administration with a concentration in Accounting.

Certificate Students Are:

- Job seekers upskilling for a new career
- Recent high school graduates preparing for quick entrance to the workforce
- Already employed, but seeking a certificate to move up in the industry.
- College grads keeping up-to-date on best practices

Help Your Resume Stand Out

There are many benefits to completing a certificate program. If you are starting your job search, completing a certificate program will boost your skills and abilities, and it can even help you stand out in the job market.
