Benefits of a Psychology Degree

The Liberal Arts degree program in Psychology provides students with the first two years of preparation toward the completion of a four-year bachelor degree program in Psychology at a college or university.

Psychology is the wide-ranging scientific study and exploration of behavior and mental processes. Students will learn critical thinking skills such as interpretation, analysis, construction, and assessment of material.

Interested students should be aware that careers in the field of professional psychology typically require a master's or doctoral degree, depending upon the career path selected.

Estimated cost of program Tuition and *fees only:

- In-State **\$15,196**
- NE Regional **\$20,026**
- Out-of-State **\$30,380**

Register

Register for all of the courses recommended each semester. Take at least 14-16 credits each semester to graduate in two years. A higher percentage of students graduate when they complete 30+ credits within their first year. (Research by Complete College of America)
