

MyNCC App

The *MyNCC* app is freely available for iPhones and Androids. The app serves as a useful communication tool and provides an information stream for students, faculty, and staff. Sections of the app include information regarding Student Life, Clubs, Events, and Campus Services. In addition, in the event of inclement weather, the app is used to notify faculty of college closure. The App can be downloaded by following this link [Nashua Community College App](#) on your cell phone
