Why choose History & Political Science?

The Liberal Arts degree in History and Political Science provides students with the first two years of preparation towards the completion of a four-year bachelor degree program in History or Political Science. Studies will equip students with the knowledge and skills needed to function as informed and responsible citizens.

The program may be especially appropriate for students who plan to pursue careers in the fields of education, government, historic preservation, public history, or law.

An academic advisor will work with each student to design a specific program of courses that best meets their needs. An early decision by a student as to the four-year college/ university to which they plan to transfer will make the advising process more effective.

Estimated cost of program Tuition and *fees only:

- In-State **\$14,738**
- NE Regional **\$19,703**
- Out-of-State **\$28,890**
