### The benefits of choosing Accounting

The Associate in Science Degree in Business Administration in Accounting offers a mix of both applied and theoretical courses. Specifically, the Accounting program is designed to provide students with the accounting knowledge and skills required to confidently pursue a career in the accounting field.

The mission of the Department of Business at Nashua Community College is to provide a variety of degrees and professional certificates that respond to the needs of local and regional employers, while maintaining academic integrity.

For students planning to continue their education beyond the associate degree, the Accounting program is also designed to provide transferability to a college or university that offers a bachelor's degree in Accounting, Accounting/ Finance or Business Administration Accounting.

Students enrolled in this program will participate in a comprehensive learning experience through the challenges of increasingly complex levels of accounting study.
