Program Outcomes

Benefits of a Criminal Justice Degree

The Criminal Justice degree program is designed to prepare students for careers in Law Enforcement, Corrections, Juvenile Justice, the Court system, and Homeland Security. In addition, it also serves as the academic foundation to transfer on to complete a baccalaureate degree.

For those already in service, the program provides professional development for promotion or career enhancement purposes.

Associate in Science with a major in Criminal Justice will be awarded upon completion of all requirements. Students with an associate degree in Criminal Justice qualify for employment in various city, county, and state criminal justice agencies, and in the rapidly-growing private industrial security field.
